Summer Escape is through IMPACT Academy. This summer camp will support children with special needs and disabilities by providing options for quality therapies, interventions, life skills, and behavioral services.

Camp activities will promote and include our weekly themes, onsite field trips, developmental play, fine & gross motor skills, arts & crafts, sensory play, social skills training, music therapy, outside play, circle time, academic skill reinforcement, and much more!

*We do offer the ESY option for students enrolled through their public schools.

Summer Escape will be a 10-week camp from May 30th through August 4th!

Email camp@IMPACTtlh.org for more information or if you have any other questions.
