Florida Department of Children and Families (DCF) Child Care Facility Requirements:

- Section 7.3.C.1 requires that parents receive a copy of the Child Care Facility Brochure, "Know Your Child Care Facility"
- Section 7.3.C.2 requires that parents are notified in writing of the disciplinary practices used by the childcare facility

Discipline Policy: At IMPACT, our staff models composure to appropriately respond to misbehavior. We use Conscious Discipline strategies to foster connection with students. Where there is misbehavior, we teach missing skills. Discipline that is severe, humiliating, frightening, or associated with food, rest, or toileting is prohibited. Spanking or any other form of physical punishment is not tolerated. A child who is exhibiting aggressive behaviors will be encouraged to use strategies offered or moved to a safe place until calm.

- Section 7.3.C.4 requires that parents receive information detailing the causes, symptoms, and transmission of the influenza virus.
- Section 7.3.5 requires that parents receive information about "distracted adults" and car safety in April and September of each year.

Open Door Policy: Per DCF regulations (8.1.A), the Parent(s)/Guardian(s) have access to their child, in person and by telephone, whenever the child is in care at IMPACT.

Expulsion Policy: At IMPACT, we see misbehavior as a call for help. We are committed to providing a safe, nurturing environment conducive for learning and growth for all children. We strive to ensure all our children are set up for success regardless of their need or developmental level.

If a child exhibits behaviors that are harmful to him/herself, staff or other children in our care, we will do the following:

1. Evaluate the situation and inform the family of our observations.
2. Get information about frequency of aggressive behaviors in the home.
3. Meet with the family to discuss strategies to implement in the home and/or services (i.e. occupational therapy, speech therapy or contracted behavioral services) that will support the child and family.
4. Determine a date by which needed interventions will be initiated. Discuss the potential of withdrawal if interventions are not begun by deadline.

On rare occasions, we will work with families to seek the best care for their child if we determine that our program can no longer meet the needs of an individual child.

Food Activities / Special Occasions: I _____ (Parent/Guardian - circle one) give / decline permission for my child _____, to participate in food related activities and special occasions wherein food is consumed.

Health & Safety Information:

Please keep your child home if he/she is showing any signs of a communicable disease. Signs and symptoms of a suspected communicable disease include the following:

- Fever - 100°F or above
- Severe coughing, causing a child to become red or blue in the face or to make a whooping sound
- Diarrhea/vomiting
- Generally, not feeling like him/herself
- Lice

Your child will be kept in a separate area should they show signs or symptoms of illness. We will contact you to pick up your child immediately (within one hour) should your child show symptoms of a communicable disease, including:

- Fever - 100°F or above
- Diarrhea/vomiting
- Suspected pink eye
- Rash
- Lice
- Any other sign or symptom of illness

Additional Precautions:

Fever: If your child wakes up with a fever, please do not give them medicine to lower the fever and send them to school/afterschool. Most of the time the medicine will wear off and you will be contacted to pick up your child because the fever has returned. *Your child must be fever-free for 72 hours before returning to IMPACT.*

Lice: IMPACT has a NO NIT policy. You must notify the afterschool staff after identification of head lice. If your child has head lice, he/she must be treated, and all nits must be removed before your child may return. Your child's head must be checked by an administrative staff member before he/she can return to afterschool.

Medication: A medication permission form is available to parents/guardians, authorizing IMPACT to dispense prescription and non-prescription medication to children in care. All medicine must be in the original container. Medication and forms must be given to a staff member, NOT placed in the child's backpack or lunch box.

Sunscreen, Diaper Cream and Insect Repellent: The application of sunscreen, diaper cream, and insect repellent must be consented by parents. Inform and supply any sunscreen, diaper cream, or insect repellent to the afterschool staff.

By signing below, I acknowledge and agree to comply with IMPACT's Health and Safety Policies. I will not send my child to afterschool sick. I am aware that I will need to arrange to have my child picked up from afterschool immediately, should he/she show signs/symptoms of illness.
