Cell phones:

**The purpose of these procedures is to safeguard our therapists from losing valuable time that could be spent treating clients and to accommodate our kids that are on a waiting list. If a family is not being consistent with their appointments, we need to give others the opportunity to be scheduled.**

*We understand it's not always possible, especially when your child is sick, but please call ahead to cancel your child's appointment at least 24 hours in advance.*

For those patients that do not give at least 24-hour notice or simply do not show three times in a 3-month period, your child will forfeit his/her permanent appointment to a new child. You will be put on the call-in list.

I have read and understand the importance of this Patient/Clinic contract. I will abide by the rules and limitations stated above.

## CONSENT FOR PARTICIPATION/INFORMED CONSENT WAIVER

IMPACT Therapy provides a specialized intensive exercise program for children with developmental, neurological, sensory, mental, orthopedic, and other types of disabilities. As one might expect, there is some element of risk involved with any physical activity/exercise, intense exercise program, and the use of all exercise equipment (including the Therasuit & the Universal Exercise Unit). Although the risk is greatly reduced with the use of safety equipment, proper supervision, training, and skilled trainers, there remains the risk of injury during participation in the center's activities.

Therefore, it is necessary to get your permission to allow \_\_\_\_\_  
(Print Child's Name) to participate in the exercise program provided by IMPACT Therapy.

I, \_\_\_\_\_ (Parent/Guardian) hereby release IMPACT Therapy from any liability, claims, demands, & causes of action, now or in the future, resulting from soreness or injury however caused, occurring during or after my child's participation in the exercise program.

In signing this Consent for Participation/Informed Consent Waiver, I hereby affirm that I have fully read the above statements & understand the inherent risks involved with participation in IMPACT Therapy's exercise program and give permission for my child to participate.

Does your child have any other medical conditions that require dietary modification?  
\_\_\_\_ Yes \_\_\_\_ No

Does your child have celiac disease or gluten intolerance? When were they diagnosed?

---

---

1725 Hermitage Blvd.  
Tallahassee, FL 32308  
Ph.: (850) 325-6301  
Fax: (850) 325-6302

In your opinion, what is your child's level of compliance with the gluten-free diet?  
 100%    75%    50%    25%

Does your child have difficulty following the gluten-free diet if you are not able to monitor or help him/her?  
 Yes    No

What type of symptoms will your child have if he/she ingests gluten? Will he/she tell someone he/she is sick?  Yes    No

1725 Hermitage Blvd.  
Tallahassee, FL 32308  
Ph.: (850) 325-6301  
Fax: (850) 325-6302

## PHOTO RELEASE

IMPACT Tallahassee will make every attempt to **NOT** include your child in individual or group pictures without written consent. We routinely use such photos to promote summer camp, website content, marketing materials, activities on our campus, and to request donations for scholarships to our schools.

**Photo Release:** I, \_\_\_\_\_ (Parent's Name) give IMPACT Tallahassee permission to use my child's photograph for the purposes of recruitment, advertising, public relations, obtaining grants, or other purposes related to the mission and word of Progressive Pediatric/IMPACT Tallahassee, as well as for the historical records of the organization.

**The purpose of these procedures is to safeguard confidential information and to minimize the risk of unauthorized access, use or disclosure of patient information.**  
*Confidentiality is extremely important.*

- ❖ Any documents containing protected health information, personal information, and the patient’s folders will not be left open or unattended in a public area.
- ❖ Any phone conversations held with a patient will be held in a private area, behind closed doors.
- ❖ No discussion regarding patients and their personal information will be held in open public areas.
- ❖ You will only access and use information necessary to complete an authorized task. No patient folders or copies of patient information will leave this office.
- ❖ All information or questions of the parent regarding a patient’s therapy sessions should be redirected to a staff member.

I have read and understand the importance HIPPA’s patient confidentiality. I will abide by the rules and limitations stated above.

## SESSION AND TREATMENT ACCOUNTABILITY

Please be advised that while we do bill insurance, there is no guarantee that insurance will cover your sessions.

**In the event that insurance does not cover any remaining costs, parents/guardians are responsible for payment for the balance owed.**

Please see front office staff for any questions or specific concerns.

I have read and understand the obligation for services rendered.

## MANDATORY REPORTER

A **mandated reporter** is a person who, because of his or her profession, is legally required to report any suspicion of child abuse or neglect to the relevant authorities. These laws are in place to prevent children from being abused and to end any possible abuse or neglect at the earliest possible stage.

Behavior analysts, Speech-Language Pathologists, Occupational Therapists, Physical Therapists, Music Therapists, and Teachers act in the best interest of their clients, taking appropriate steps to support clients' rights, maximize benefits, and do no harm. They are also knowledgeable about and comply with applicable laws and regulations related to mandated reporting requirements.

## PATIENT BILL OF RIGHTS

- A patient has the right to respectful care given by competent personnel.
- A patient has the right to every consideration of his privacy concerning his/her own medical care program. Case discussion, consultation, examination and treatment are considered confidential and should be conducted discreetly.
- A patient has the right to expect that all communication and records pertaining to his/her medical care should be treated as confidential except as otherwise provided by law.
- The patient has the right to expect emergency procedures to be implemented without unnecessary delay.
- The patient has the right to good quality care and high professional standards that are continually maintained and reviewed.
- The patient has the right to full information in layman's terms concerning diagnosis, treatment and prognosis, including information about alternative treatments and possible complications. When it is not medically advisable to give such information to the patient, the information shall be given on his behalf to the patient's next of kin or to another appropriate person.
- A patient has the right to physical therapy services without discrimination based upon race, color, religion, sex, sexual preference or national origin.
- The patient who does not speak English is permitted to bring an interpreter to his/her therapy sessions.
- The facility shall provide the patient, upon written request, access to all information contained in his/her medical records.
- The patient has the right to expect good management techniques to be implemented within the facility out of consideration for the use of the patient's time and to avoid the personal discomfort of the patient.
- The patient has the right to examine and receive detailed explanations of his bill.
