The camp director should be notified of **absences**. If an absence is due to illness, please notify the camp director and staff immediately to ensure the health and safety of all campers.

Arrival at Camp:

All campers must arrive by 9:00am to ensure we do not disrupt the daily schedule. Inform the director of tardiness and your expected arrival time.

Your child should be sent with comfortable, movable clothes on that can be played in.

Make sure to sign your child in at the front desk. This ensures all staff are aware of your child's arrival to camp.

Illness:

To ensure our camp is a healthy and safe environment for all the children, we ask that you do not bring your child to camp if they are sick. Please notify the director of their absence due to illness. If your child becomes sick while attending camp, we will contact you immediately. - Head Lice
- Any communicable illnesses
